

# MANUAL Techmatic Roller Shade

AFFORDABLE OPTION FOR SMALLER WINDOW APPLICATIONS

Techmatic Roller Shades, Earlham College, Richmond, IN

- A manually-operated window shade, the Techmatic Roller Shade features a light-duty clutch that never needs adjusting. This shade provides an affordable option for smaller window applications.

## FEATURES

- Bead chain clutch operator mounted right- (standard) or left-hand operation.
- Clutch available in white (standard) or black.
- Mounting brackets (standard). Optional fascia with endcaps, or headbox with closure.
- Varied hem bar options are available.
- Universal mounting brackets (inside, outside, or ceiling mounted options) for ease of installation. Optional 2 ¼" (57 mm) universal brackets available.
- Product designed for interior use.

## OPTIONS

- Stainless steel bead chain (standard). Polyester chain available in white, black, brown, grey, or ivory at no extra charge.
- Hardware finish choices: clear anodized (standard), black, white, ivory, or bronze. Custom powder coat colors available.

## CHILD SAFETY NOTICE:

To comply with ANSI/WCMA A100.1-2022 Child Safety Standard, this product ships with a tensioning device attached to the bead chain. Incorrect installation partially disables the product.

## SIZES

- Maximum shade width is 72" (183 cm), depending on fabric selection.

# WARNING

# ADVERTENCIA

## Window Blind Cord Strangulation Risk

Window blinds with a damaged or loose tension device or retractable cord that fails to fully retract pose a strangulation risk to children. To avoid this potential strangulation risk, consider purchasing cordless products or products with inaccessible cords.
