LEAD TIMES

Several factors will increase lead time:

- **QUANTITY** - Orders exceeding 25 units
- **POWDER COATING**
- **SIZE** - Height or Width nearing the maximum limits
- **SHADES** - When shipping shade with pockets, the lead time will be based on the longer of the two

SHIPPING REQUIREMENTS

Maximum 25 pockets per skid. Lower quantities may affect shipping process. Contact Draper for special packing or shipping requests.

APPROVAL PROCESS:

- Form completed and returned to Draper
- Draper will create drawing and quote for approval
- An estimated Lead Time will be given when Draper receives a purchase order (PO) and signed custom pocket headbox form.

SIZE REQUIREMENTS:

Minimum Width: Must be greater than 2"

Maximum Height: Should not exceed 8"

(without wall clips and closure panels)

Please Note: Width to Height Ratio may limit pocket headbox design. Please contact Draper for clarification if needed.

COLOR SELECTION:

Two standard options available.

OPTION 1:

Interior Finish: White Enamel
Exterior Finish: Gray Unpainted Protective Coating

OPTION 2:

Interior Finish: Gray Unpainted Protective Coating
Exterior Finish: White Enamel

CUSTOM RAL COLOR SELECTION:

Available, but interior and exterior finish must match.

Contact Draper for custom color wall clips and closure panels.

CHANGE ORDER PROCESS:

Refer to pricelist for Draper's policy on order change.
